

Dear Day Care Parents,  
In order to protect your children from germs during rest time we will be having them rest on "Kid Nappers". This is a cloth mat with a built-in-pillow that is used only by your child. His/her name is written on it, and it is rolled up and velcroed closed when rest time is over. Once a week we will send it home for you to launder. It is machine washable. It is durable and comfortable. The cost is \$20. Every child in the day care program is required to have one. This mat will be a healthy and hygienic way for your child to rest, particularly during the cold/flu season. Please have your payment in by Sept 20, 2010, so that we can place our order with the company and receive it by the following week.

Thank you,  
Sister Theresa Samson
